Hi Michael

Just want to take the opportunity to once again thank you and Phillip for the excellent service. Both of you plus your building team took it upon yourselves to carry the job out in a reasonable manner and time. We really appreciate the effort and the extra mile that Michael went to supply materials at the lowest possible price.

Please also once again thank Phillip for helping with the last painting and small things to complete the work.

We would gladly recommend you to future customers.

Thanks and best regards

Frans and Petra
